## Pixum started Summer Sale 2009: photo prints for just 4p

*Cologne, August 2009*

Pixum's Summer Sale 2009 focuses on photo prints, as it is the perfect time to print Summer Holiday photos: photos of trips away, family events, BBQ parties, weddings and much more.

In this year's Summer Sale Pixum offers the most popular photo prints sizes, 4", 4.5" and 5", with up to 54% discount at [www.pixum.co.uk/4p](http://www.pixum.co.uk/4p). The greatest novelty of this Summer Sale is that customers do not need to enter a voucher code - all prices are reduced automatically.

The special Pixum Summer Sale prices are:

4" prints for just 4p

4.5" prints for just 6p

5" prints for just 8p

Customers only need to upload their pictures to Pixum and order prints in the sizes they wish to receive for reduced rates. The Summer Sale ends on 31 August 2009.

To upload large amounts of images Pixum offers various upload options at [www.pixum.co.uk/upload](http://www.pixum.co.uk/upload). Beside the popular Flash upload tool one will find upload options with HTML, ActiveX, Java, FTP or the iPhoto-Plugin there. Including the possibility to upload photos per e-mail, Pixum offers 8 different upload methods and therefore the greatest flexibility for their costumers.
